

SNC Orchestra

The Springdale Nazarene orchestra provides the support, background during worship. It helps to create the feeling and passion of what the musical lyric is all about. This skilled group of musicians sets the tone and creates all the underpinnings for the vocalists they accompany. Our goal for this auditioned group of musicians is to be as good as if you were listening to a recording. The Orchestra accompanies our vocalists 2 - 3 Sundays per month from September - June. They also perform for other special events through out the year.

Rehearsals

The Orchestra rehearsal is held at our **Springdale Campus on Wednesday at 7:00 p.m.** and led by our 1st trombonist and conductor Joe Phelps.
