

We believe that God created us for relationship – relationship with God and with one another.

“ Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself.”
- Jesus

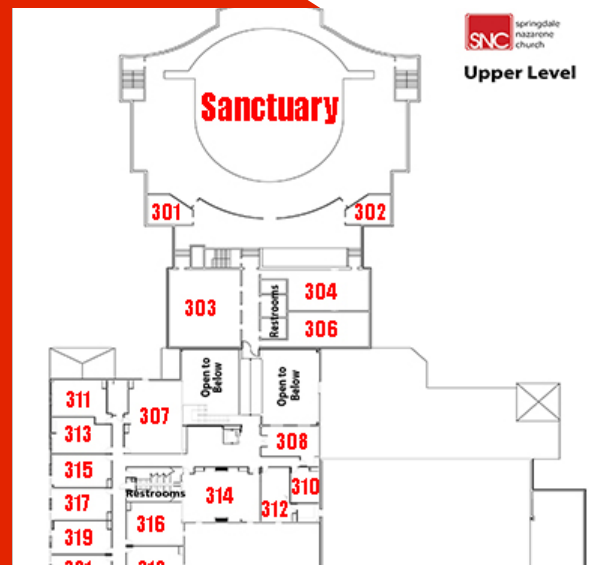

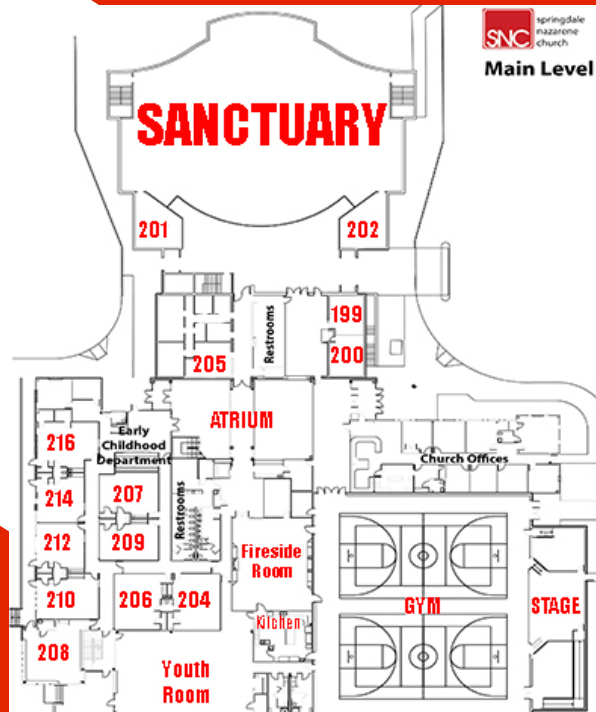

It is by our primary relationship with God, with the Holy Spirit working in us and through us, that love and all godly fruit is possible. It is by our love for one another as Christians that people will know we are true disciples of Jesus Christ.
