Team Lift is a ministry to equip 5th & 6th grade students to lead with a Christ-like heart. We are looking for students who have a desire to care for and love others to glorify God. Student leaders work in the elementary department to lead in hospitality, worship, and other serving opportunities.

Elementary Team

It takes a great number and variety of people to effectively minister to the elementary students God entrusts to us here at SNC. There are several different opportunities to serve, and we believe everyone should have a place of service in the local church. If you have any interest in plugging in to serve in the elementary department, contact Pastor Jon at jnelson@snclife.org.

Sunday Groups & Worship

Each Sunday morning at 9:30 and 11:00 am we have opportunities for students grades 1-6. Students can be dropped off by a parent beginning at 9:15 a.m. and picked up following either worship hour. We offer two experiences each Sunday morning for children just as there are opportunities for their parents to be in worship and a connect group. 1st through 3rd grade students are in groups at 9:30 a.m. and kids worship at 11 a.m. 4th-6th grade students are on the opposite schedule.

Wednesday Gathering RECHARGE

Like any healthy family, we like to get together! Elementary students gather each Wednesday at 6:30PM. This is a specific time where students can recharge with others through large group activities, Bible study, prayer, and hang out in the gym to wrap up the night. Quizzing is an elective that our students can also participate in on Wednesday nights.
